

Bellepoint Youth Athletic Association (BYAA) is an independent not for profit youth athletic program. As an amateur athletic organization our purpose is to develop a competitive, affordable youth baseball program which establishes core principles and goals in our young men and women. These core principles include:

- Skill Development
- Strength , Speed and Agility training
- Sportsmanship, Respect and Responsibility
- Commitment
- Team First Attitude
- Character Development

As a not for profit organization, BYAA is run by a dedicated group of parents who volunteer their time to provide a great atmosphere for their players to learn the principles listed above. BYAA asks for independent sponsorship and donations by businesses, to help defer personal cost for players and families. Your contribution will assist our organization in meeting our mission and goals.

There are several ways in which you can help this organization.

- Sponsor an outfield fence banner
- Become a Bellepoint Booster
- Donate a silent auction item for our annual Bellepoint Home Day festivities (June 6, 2016)
- Sponsor a team (Summer 2016)

By participating as a sponsor or donor, your organization will benefit from extended exposure through media and promotional efforts. Your donation will allow us to offset the costs and improvements associated with running and operating a quality program. Recent improvements include:

- LED scoreboards for 1 baseball and 1 softball field
- Replaced 3 backstop fences
- Sun screen for baseball field

Also, we can offer your business exposure through our website (Coming Fall 2014) and, depending upon your level of donation, a banner on our outfield fence, promoting your business. We are counting on your support and would like to thank you in advance for your generosity.

We would gladly accept donations of any denomination. All contributions are directly applied to operating costs for the players on the team.

All donations will receive a link and thank you on our web-site.
